Retention

Introduction

- **Soldiers taking a European out often do not think through all the ramifications of ending their affiliation with the military. They frequently find themselves without the support they had taken for granted.**

- **USAR service offers Soldiers at least some of the support they had while on Active duty (PX/Commissary, access to Installations, medical coverage while on duty, etc).**

- **The 7th ARCOM is the USAR Command for Europe. We have units spread across Germany and in Italy that allow**

Retention
